Instructions

To accelerate customs clearance, fill in this form in English, French or in a language accepted by the destination country. If the value of the contents is over 300 SDR, you must use a CN 23 form. You **must** give the sender's full name and address on the front of the item.

(1) Give a detailed description, quantity and unit of measurement for each article, e.g. 2 men's cotton shirts, especially for articles subject to quarantine (plant, animal, food products, etc.).

(2), (3), (6) and (7) Give the weight and value of each article and the total weight and value of the item. Indicate the currency used, e.g. CHF for Swiss francs.

(4) and (5) The HS tariff number (6-digit) must be based on the Harmonized Commodity Description and Coding System developed by the World Customs Organization. Country of origin means the country where the goods originated, e.g. were produced, manufactured or assembled. It is recommended you supply this information and attach an invoice to the outside as this will assist Customs in processing the items.
